Please disregard the tariff sheets that were sent Tuesday, October 16. There were a couple of minor grammatical errors and spelling errors (pg. 5-24, noinating, bu, amont) found in the red-line stipulation version filed on Monday, but now corrected. The only content error found was: page 3-2 "in its sole discretion" was deleted in the red-line copy but not reflected in the clean version. So please find attached Exhibit C (the updated red-line version) and Exhibit B (the updated clean version) attached. If you have any further questions, please feel free to call. I hope this doesn't cause any inconvenience and thank you for your assistance,
