Pursuant to Utah Code § 54-10a-301 and Utah Admin. Code r. 746-1, the Office of Consumer Services ("Office") submits this Unopposed Request for an Enlargement of Time for All Parties to File Initial Comments in Docket No. 19-057-01, from Friday September 13, 2019 to Tuesday September 17, 2019; for an Enlargement of Time for All Parties to file Reply Comments, from Friday October 11, 2019 to Tuesday October 15, 2019;, and for Expedited Treatment. The need for this requested enlargement is that the Office's utility analyst charged with the preparation of the Initial Comments has been called to jury duty for the days September 9th through September 13th and other duties, assigned to him prior to his being called for jury duty, prevent him from completing the Initial Comments prior to the 9th.

The Office has contacted counsel for the Utah Division of Public Utilities ("Division") and Dominion Energy Utah ("Dominion") (jointly the Parties) and can represent that the Division and Dominion do not object to a two-day extension for the Office to file its Initial

Comments as long as they are granted a commensurate extension to file Reply Comments. At

this time, no party has filed to intervene in this docket. Accordingly, pursuant to the agreement

of the Parties, the Office requests an enlargement of time for all parties to file Initial Comments

to September 17th and an enlargement of time for all parties to file their Reply Comments to

October 15.

The Office also requests Expedited Treatment of this Motion because the time--line for

responding to filed Motions, set out in Utah Admin. Code r. 746-1-301, will not be completed

before September 13th, the date Initial Comments are presently due.

Respectfully Submitted, September 5, 2019.
