

P.S.C.U. Docket No. 19-057-02  
OCS Data Request No. 10.03  
Requested by the Office of Consumer Services  
Date of DEU Response November 25, 2019

OCS 10.03: Projected Plant in Service. Refer to DEU Exhibit 3.0R – Rebuttal Testimony of Jordan K. Stephenson, page 3, lines 59 – 61. The testimony indicates that Ms. Ramas and Mr. Orton have not raised “any concerns about the individual projects that make up the 2020 capital budget.” Is it the Company’s position that DEU provided the itemized listing identifying each of the individual projects included in the 2020 capital budget prior to the filing of DEU Exhibit 3.1R? If yes, please indicate where this information has previously been provided in this docket.

Answer: As discussed in OCS 10.02, the information in Exhibit 3.1R was not complete or available until the 4th quarter of 2019. However, individual details for large 2020 projects had been included in the filing and during discovery. The following data requests were answered with specific projects and costs:

- DPU 10.03
- DPU 10.04
- DPU 10.06
- DPU 10.07
