

Docket No. 19-057-13

UAE Exhibit 1.1R

**Dominion Energy Utah Response to
Data Requests Referenced in Testimony**

UAE 2.01: Please refer to Slide 25 of the June 19 Redacted Technical Conference Presentation.

- a. Please update Slide 25 to include the same information for any interruptions that have occurred since January 6, 2017?
- b. Please state whether the Company imposed any Hold Burn to Scheduled Quantity restrictions during the 2018-2019 hearing season? If yes, please provide the information identified on slide 25 for any such Hold Burn to Scheduled Quantity restriction.

- Answer:
- a. The slide remains current. There have been no additional interruptions since January 6, 2017.
 - b. The Company sent a notification on January 17th, 2019 to all transportation customers that a Hold Burn to Scheduled Quantity Restriction would be in place starting on January 23, 2019. This restriction was put in place due to forecasted extreme cold temperatures. On January 22, 2019, prior to the start date, the restriction was lifted due to a change in forecasted temperatures.
