

APPENDIX B

Community Survey

Gathering input from residents during the General Plan updating process is essential to the success of the final plan. The Eureka City General Plan survey was created and distributed throughout the community to bring together citizen feedback. Youth from Eureka distributed the survey to all available households ****FIND THE DATES****. Approximately 99 surveys were completed by citizens and shows the level of commitment of Eureka residents towards their city. These surveys also provide validity to the General Plan process of representing the voice of the community.

Survey results largely confirmed the ideas stated in the General Plan. Some important ideas represented in the survey and General Plan include historical preservation, public facilities, and economic development.

Results

The following charts and tables are presented as results from the 2017 Eureka City General Plan Survey. A copy of the survey is also included.
