Re: *Application of Dominion Energy Utah for Approval of a Natural Gas Clean Air Project and Funding for the Intermountain Industrial Assessment Center, Docket No. 19-057-33*

Dear Mr. Mendenhall:

The Public Service Commission (PSC) reviewed Dominion Energy Utah's (DEU) Corrected Notice of Temporary Suspension of Program ("Notice") filed on March 2, 2021. The Notice was filed pursuant to the PSC's Order Approving Settlement Stipulation issued August 31, 2020 ("Order"). The Order approved a program for the University of Utah's Intermountain Industrial Assessment Center (IIAC) to conduct certain assessments for DEU ("Program") and included a requirement that DEU notify the PSC if the Program is temporarily suspended. DEU's Notice informs the PSC that DEU and IIAC temporarily suspended the Program due to the effects of the COVID-19 pandemic, the Program commenced on March 1, 2021, and the Program will continue its anticipated schedule through February 28, 2023.

The PSC also reviewed the Action Request response filed by the Division of Public Utilities (DPU) on March 24, 2021. DPU recommends the PSC approve DEU's Notice with the condition that DEU and IIAC retroactively commence the Program on March 1, 2021 under the settlement terms approved in the Order.

Based on the PSC's review of DEU's Notice and DPU's comments and recommendation, the PSC acknowledges that DEU's Notice complies with the notification requirements in the Order. The Program remains subject to the terms and conditions of the Order.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
