Request for Time Extension

On June 28, 2021, the Public Service Commission ("Commission") issued an Action Request due July 28, 2021 to the Division of Public Utilities ("Division") for a review of Dominion Energy Utah's Affiliated Transaction Report.

The Division is in the process of determining and requesting the information necessary to comply with the Commission's request and finds that additional time will be required to complete this review. The Division will file a report as soon as practicable but no later than November 19, 2021. Therefore, the Division requests the Commission extend the due date to November 19, 2021.
