) FOR STAY PENDING APPEAL

ISSUED:

January 5, 2006

By The Facility Review Board:

By Petition submitted December 29, 2005, West Jordan City asks the Board to issue a stay of its November 28, 2005, Order Designating Geographic Area while the city pursues an appeal of that order. Based upon our consideration of the Electrical Facility Review Board Act, Utah Code §§54-14-101 *et seq.* and the evidentiary record presented to us in this matter establishing the imminent need for construction of a substation, we conclude that we will deny the petition.

Wherefore, we enter this Order denying West Jordan City's Petition for Stay Pending Judicial Review.

DATED at Salt Lake City, Utah, this 5th day of January, 2006.
