Re: PacifiCorp v. West Jordan City

Dear Mayor Johnson, Mr. Hindley, and Ms. Hurtado:

This letter is in response to your correspondence of July 8, 2005. The Electric Facility Review Board (“EFRB”) has dismissed the request that the EFRB convene to consider a dispute between PacifiCorp and West Jordan City relating to the City’s denial of PacifiCorp’s application for a conditional use permit to construct a substation on the southeast corner of 3200 West and 7000 South without prejudice.

If you have any questions, I can be reached at (801) 530-6713.

Sincerely,

Julie Orchard
Commission Secretary
