Subject: Questar rate hearings: a concerned citizen

Dear Ms. Livingston:

I have worked in the telecommunications industry for over 25 years. Long enough to see what deregulation did to regular consumers. The telephone companies have too much power and the average consumer doesn't have a clue what they can or cannot do. It is a royal mess.

I do not want Questar to have carte blanche in their determination of rate structures. Please do not allow them to close their rate hearings. They are a public utility and the public has a right to voice their opinions and have their "day in court."

Sincerely,

Jamie M. Morrison
