UTILITY CUSTOMER:
FROM: John C. Parson

SERVICE ADDRESS:

UTILITY: Qwest

COMPLAINT TYPE: Other

COMPLAINT: This complaint may be against YOU. It's concerning the new combined area code for the former 801 area.

In any other state, they just DIVIDE the area so that some people get a new area code. Why hasn't this been done HERE? It would be MUCH more friendly for the VOTERS who now have to dial TEN numbers for LOCAL calls.
