Re: Utah Demand-Side Management Annual Report for 2010

Pursuant to the Commission's October 7, 2009 order in Docket No. 09-035-27, an annual report is to be filed by March 31 of each year detailing Rocky Mountain Power's (the Company) demand-side management activities in the state of Utah during the previous calendar year. The Company is in the process of preparing its demand-side management annual report for 2010; however, the report is still in draft form and will not be filed in accordance with the March 31 filing date. Rocky Mountain Power expects that it will take one week to finalize the report. Therefore, Rocky Mountain Power respectfully requests the Commission extend the due date of the 2010 demand-side management annual report from March 31, 2011 to April 7, 2011.

Inquiries regarding this matter may be directed to Aaron Lively, regulatory manager, at (801) 220-4501.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation
