Order	)	<b>MOTION TO AMEND THE</b>
	)	<b>SCHEDULING ORDER</b>
	)	

---

Pursuant to Rule 16 of the Utah Rules of Civil Procedure and Utah Code § 63G-4-201 *et seq.*, Questar Gas Company (the “Company” or “Questar Gas”) respectfully seeks the amendment of the Notice of Petition for Declaratory Order and Schedule for Filing Responses in this docket to extend the time in which interested parties may respond to the Petition for Declaratory Order. Specifically, Questar Gas seeks an extension of the deadline for a party to file a response until September 30, 2011. In support of this request, the Company states as follows:

1. On July 18, 2011, Integrated Water Management, LLC (“IWM”) filed a Petition for Declaratory Order (“Petition”) seeking an order from the Public Service Commission of Utah (“Commission”) declaring that “El Paso Midstream Investment Company would not be a

statutory ‘gas corporation’ subject to Commission regulation as a Public Utility if Questar Gas Company buys natural gas from it and in turn sells the gas to Integrated Water Management, LLC.” Petition at p. 4. IWM did not serve Questar Gas with a copy of the Petition.

2. IWM’s Petition specifically contemplates Questar Gas acting as an “intermediary” who purchases of natural gas from El Paso Midstream Investment Company (“El Paso”) and then sells that same gas to IWM. Questar Gas has not consented to provide such service.

3. On August 1, 2011, the Public Service Commission of Utah (“Commission”) issued a Notice of Petition for Declaratory Order and Schedule for Filing Responses (“Order”) in this matter. In that Order, the Commission indicated that all parties interested in this petition shall file responses by September 8, 2011.

4. Questar Gas seeks the modification of the Order to allow more time for interested parties to file responsive pleadings because the Company has just recently filed to intervene in this matter, needs to evaluate the issues raised in the Petition, and needs to determine what response is necessary or appropriate. Additionally, Questar Gas believes that it would not prejudice the case in any way to extend the time for response. Questar Gas notified the Division of Public Utilities (“Division”) of its intention to seek this modification and the Division has indicated that it does not oppose the extension.

Therefore, Questar Gas respectfully requests an extension of time until September 30, 2011 to file responsive pleadings in this matter.

Dated this 30<sup>th</sup> day of August, 2011.

Respectfully submitted,

QUESTAR GAS COMPANY
