Re: Notice of Non-bid Contract with Custom Lighting Services LLC

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into an extension of a non-bid contract with Custom Lighting Services LLC for \$3,000,000 over a two year period.

Custom Lighting Services LLC is one of several vendors providing pole tests, treat, and inspection services for PacifiCorp. In February 2009, through a competitive bid and evaluation process, PacifiCorp entered into a three year master service agreement with Custom Lighting Services to provide pole tests, treat, and inspection services. The contract with Custom Lighting Services has been extended for an additional two years. A new competitive bid for pole tests, treat, and inspect services will be conducted prior to the end of 2013.

Custom Lighting Services is a secondary vendor providing field inspection services and will be called upon only when other preferred vendors are not available. There were no expenditures for services from Custom Lighting Services during 2009 through 2011.

This sole source procurement contract was authorized on November 15, 2011, by Tim Adams, Director, Business Transformations.

If you have any questions, please feel free to contact Dave Taylor at 801-220-2923.

Sincerely,

Jeffrey K. Larsen
