Re: Notice of Sole Source Contract with Oregon Heat

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a sole source contract with Oregon Heat. The estimated value of the contract is estimated to be \$600,000 for a five year period.

For many years PacifiCorp has participated with Oregon Heat in assisting in the funding of low income bill paying assistance in Oregon. The previous contract, which has been in effect since 2005, is being replaced with a new contract that reflects a revised contribution formula where the Company matches each dollar contributed from customers with two dollars, up to an annual limit of \$150,000.

It is PacifiCorp's policy that our staff not discuss personal information, including personal income, with our customers. The Company works with agencies, such as Oregon Heat, whose mission is to work with people having limited incomes, to certify households as "income eligible" and to disperse the assistance funds.

This sole source procurement contract was authorized on August 31, 2012 by Pat Reiten, President Pacific Power.

If you have any questions, please feel free to contact Dave Taylor at 801-220-2923.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation & Government Affairs
