**Re: Notice of Sole Source Contract with Utah Department of Workforce Services,
Housing and Community Development Division**

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into an extension of a sole source contracts the Utah Department of Workforce Services, Housing and Community Development Division which exceed \$500,000. The contracts for low income weatherization services have a projected cost of \$675,000 over a three year period.

Rocky Mountain Power provides low income weatherization assistance to customers in our Utah service territory under Electric Schedule No. 118. The Company contracts with the Utah Department of Workforce Services to provide these services. The Housing and Community Development Division of the Utah Department of Workforce Service administers the federal low income weatherization program which includes energy audits, the installation of weatherization measures recommended such audits, post installation inspections, and energy education. Through the terms of Schedule 118, Rocky Mountain Power reimburses the Department of Workforce Services 50% of the cost of major and supplemental measures installed for qualifying customers plus an administrative fee.

The sole source procurement contracts were authorized on February 18, 2013, by Karen Amabile, Director of Sourcing and Procurement.

If you have any questions, please feel free to contact Dave Taylor at 801-220-2923.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation
