Re: Notice of Sole Source Contract with Wyoming Machinery Company

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a sole contract with Wyoming Machinery Company. The estimated value of the contract is estimated to be \$1,621,044.

PacifiCorp Minerals, Inc. entered into a contract with Wyoming Machinery Company for the purchase of a Caterpillar 777G 20,000 gallon water truck for use at the surface mine of Bridger Coal Company. The mine specifically requires a Ground Force brand water tank for safety reasons due to its stability from a low center of gravity and internal baffle system. The Ground Force tank is proprietary to Caterpillar and no other supplier can provide this type of tank. Wyoming Machinery Company is the authorized Caterpillar dealership in the area. Caterpillar has dealership boundaries and does not allow competitive bidding between dealers.

This sole source procurement contract was authorized on October 21, 2013 by Cindy Crane, Vice President Mining and Fuels.

If you have any questions, please feel free to contact Dave Taylor at 801-220-2923.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation & Government Affairs
