**Re: Notice of Sole Source Contract with Tait North America**

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into sole source contract extension with Tait North America which exceeds \$500,000. The contract has a projected cost of \$1,000,000 for a one year period.

Tait North America provides equipment, maintenance, and service for PacifiCorp's mobile radio replacement project under a 2008 competitively bid contract. That contract is being extended one year through December 2014. Tait North America is the manufacturer and only supplier of much of the equipment being used in the mobile radio replacement project.

The sole source procurement contract was authorized December 7, 2013, by Robert Metcalf, Senior Director Technology Management and IT Infrastructure Services.

Sincerely,

Jeffrey K. Larsen
