Re: Review and audit of Rocky Mountain Power's Blue Sky Program (Schedule No 72)
Docket No. 14-999-01

PURPOSE

As part of the Division of Public Utilities (Division) ongoing mission of considering the interests of both the public and utilities, the Division will be performing an audit of the Blue Sky Program for the calendar year 2013.

ISSUE

Annually the Division reviews various programs for compliance with state energy regulation and tariffs. Rocky Mountain Power's Blue Sky program was chosen for review at this time. The review will entail a sampling of invoices from the Blue Sky account for the 12 months ended December 2013 and a review of the program administration.

The Division appreciates the Company's cooperation in this matter. If you have any questions please contact.
