Re: Docket No. 14-999-06

Dear Mr. Widerburg:

On February 13, 2014, the Commission issued a **Notice of Rulemaking Docket and Comment Period** in Docket No. 14-999-06, providing an opportunity for interested parties to file comments concerning the proposed Lifeline rules. Enclosed for filing please find an original and five (5) copies of CenturyLink's Comments, along with a certificate of service. CenturyLink has marked up the proposed rules with additional edits, which for the most part are shown in blue and has also added comments. Additionally CenturyLink has raised some questions and items for discussion that needs further clarification. CenturyLink respectfully requests the Commission to schedule a technical conference where the parties can discuss the various proposed changes and received additional clarification regarding some of the proposed changes.

If you have any questions, please do not hesitate to contact me, or Jim Farr at (801) 238-0240.

Sincerely,

Carla M. Butler
