Re: Notice of Sole Source Contract with OSIsoft, Inc.

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a non-bid contract extension with OSIsoft, Inc., which exceeds \$500,000. The contract extension through November 15, 2015 has a projected cost of \$817,000.

The contract was extended because OSIsoft, Inc. currently provides PacifiCorp with specific software and maintenance services under the contract and is the only known provider of the required service going forward.

The sole source procurement contract extension was authorized December 12, 2014, by Nancy Kent, Managing Director, Information Technology Applications & Corporate Security.

If you have any questions, please feel free to contact Bob Lively at 801-220-4052.

Sincerely,

Jeffrey K. Larsen
