Re: Notice of Sole Source Contract with Cache Valley Electric Company

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a non-bid contract extension with Cache Valley Electric Company, which exceeds \$500,000. The contract extension through December 31, 2015 has a projected cost of \$950,000.

Cache Valley Electric Company currently maintains PacifiCorp's existing physical security system. The Company required an extension of the existing arrangement to allow time to research available alternative options and conduct a thorough request for proposal process to replace the existing system.

The sole source procurement contract extension was authorized December 24, 2014, by Nancy Kent, Managing Director, Information Technology Applications and Corporate Security.

If you have any questions, please feel free to contact Bob Lively at 801-220-4052.

Sincerely,

Jeffrey K. Larsen
