Re: Notice of Sole Source Contract with Locating, Inc.

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a non-bid contract extension with Locating, Inc., which exceeds \$500,000. The contract extension through February 27, 2017 has a projected cost of \$4.0 million.

Locating, Inc. provides the Company with underground line locating services. The contract extension addresses the challenges of the Company in obtaining a vendor's services, the length of time required to train and orient a new vendor, and the potential regulatory and safety risks associated with the services and work provided.

The sole source procurement contract was authorized January 28, 2015, by Doug Butler, Vice President, Operations.

If you have any questions, please feel free to contact Bob Lively at 801-220-4052.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation
