Re: Notice of Sole Source Contract with Percipio Consulting Group

Commissioners:

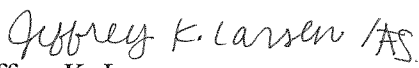

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a non-bid contract with Percipio Consulting Group, which has a projected cost of \$500,000.

Percipio Consulting Group is a supplier of financial, general business and technical-related professional services to support PacifiCorp's participation in the Energy Imbalance Market. This contract with Percipio Consulting Group was based on the technical skills of the vendor, its familiarity with Company contracts and transmission system, implementation skills for new processes and documentation, and knowledge of transmission settlements, none of which are easily obtainable in the market without considerable training and cost.

The sole source procurement contract was authorized September 25, 2014, by Todd Dinehart, Vice President and Division Controller.

If you have any questions, please feel free to contact Bob Lively at 801-220-4052.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation
