**Re: Notice of Sole Source Contract with Phillips 66 Company**

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a non-bid contract extension with Phillips 66 Company, which exceeds \$500,000. The contract extension through December 31, 2014 had a projected aggregate cost of \$800,000.

Phillips 66 Company provided PacifiCorp with industrial lubricants under an existing agreement that required an extension while the Company's request for proposal process was underway and additional contractual arrangements could be entered into in order to ensure a continuity of service.

The sole source procurement contract was authorized November 25, 2014, by Dana Ralston, Vice President, Coal Generation & Mining.

If you have any questions, please feel free to contact Bob Lively at 801-220-4052.

Sincerely,

  
Jeffrey K. Larsen  
Vice President, Regulation
