Re: Notice of Sole Source Contract with EMC Corporation

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a non-bid contract with EMC Corporation ("EMC"), which exceeds \$500,000. The contract had a projected cost of \$573,000 through January 31, 2015.

EMC provided the Company with project management and technical delivery resources. As such, EMC was already knowledgeable with Company equipment, which facilitated more effective troubleshooting, sizing and researching solutions to fit the Company's needs.

The sole source procurement contract was authorized December 3, 2014, by Robert Metcalf, Vice President, Technology Management.

If you have any questions, please feel free to contact Bob Lively at 801-220-4052.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation
