Re: Notice of Sole Source Contract with Pacific Netting Products, Inc.

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a non-bid contract with Pacific Netting Products, Inc., which exceeds \$500,000. The contract has a projected cost of \$700,000.

The barrier and net systems supplied by Pacific Netting Products Inc. are highly complex and require a diverse collection of uniquely specialized expertise in impermeable barrier and net fabrication, fisheries, flexible float systems, and marine construction. Pacific Netting Products, Inc. is the only known vendor with the unique and necessary skills and experience in these areas to meet PacifiCorp's specific component verification, fabrication, and quality requirements and support its operations.

The sole source procurement contract was authorized March 10, 2015, by Mark Tallman, Vice President, Renewable Resources.

If you have any questions, please feel free to contact Bob Lively at 801-220-4052.

Sincerely,

Jeffrey K. Larsen
