Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a non-bid contract with the State of Washington, which exceeds \$500,000. The contract has a projected cost of \$1,854,173.

The Revised Code of Washington (RCW) 77.04.012 mandates that the ownership of fish reared at a facility within the State are the property of the State. To that end, the Washington Department of Fish & Wildlife operates and manages the resources at fish hatchery facilities. The contract with the State provides the Company with hatchery services at Company-owned facilities through December 31, 2015.

The sole source procurement contract was authorized January 23, 2015, by Mark Tallman, Vice President, Renewable Resources.

If you have any questions, please feel free to contact Bob Lively at 801-220-4052.

Sincerely,

  
Jeffrey K. Larsen
