Re: Notice of Sole Source Contract with Custom Lighting Services LLC dba Black & McDonald

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a non-bid contract with Custom Lighting Services LLC dba Black & McDonald ("Custom Lighting Services"), which exceeds \$500,000. The contract has a projected cost of \$5.0 million over its three-year term.

Internal resources were not available to support Google's High Volume Option for pole attachments. Custom Lighting Services was selected for a non-compete award based on its level of expertise and experience developed during Google's High Volume build out for Kansas City Power & Light. The vendor will apply lessons learned necessary to initiate and support the High Volume Option. The services provided by this vendor in support of the High Volume Option are fully reimbursable by Google.

The sole source procurement contract was authorized March 18, 2015, by Paul Radakovich, Vice President, Operations.

If you have any questions, please feel free to contact Bob Lively at 801-220-4052.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation
