RE: Docket No. 12-999-01
Rocky Mountain Power Semi-Annual Renewable Energy Certificate (REC) Report

In preparation of its reporting obligations under the RPS statute, the Division requested that Rocky Mountain Power provide, on a semi-annual basis, the REC data outlined below:

- (a) System generation on a MWh basis on any and all renewable generation (generation eligible for Renewable Energy Certification (REC)) by month.
- (b) RECs purchased by month.
- (c) REC revenue by month.
- (d) RECs sold by month.
- (e) RECs reserved for Renewable Portfolio Standards (RPS) within the Company's jurisdiction per year.
- (f) Balance of RECs unsold and not reserved for RPS standards.

In response to that request, Rocky Mountain Power provides the attached semi-annual REC report for the period January – December, 2014. Please refer to Confidential Attachment 1, which provides data for subparts (a), (b), (d), (e), and (f) for January 2014 through December 2014 (from a vintage month perspective). Please refer to Attachment 2 which provides data for subpart (c) for January 2014 through December 2014 (from an accounting month perspective).

Confidential information is provided subject to Utah PSC Rule 746-100-16.

Informal inquiries may be directed to Bob Lively at (801) 220-4052.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation
