Re: PacifiCorp Notice of Affiliate Transaction
Docket No. 05-035-54

Dear Mr. Widerburg:

Pursuant to Commitment U3(2), incorporated in the Public Service Commission of Utah's *Report and Order* approving the *Acquisition of PacifiCorp by MidAmerican Energy Holdings Company* (now known as Berkshire Hathaway Energy Company or "BHE"), issued January 27, 2006, as amended March 14, 2006, and June 5, 2006, Rocky Mountain Power d.b.a. PacifiCorp hereby provides written notice of an affiliate interest agreement with BNSF Railway Company ("BNSF") for a railroad crossing license allowing PacifiCorp to install certain electric facilities across BNSF property in Douglas, Wyoming.

PacifiCorp is a wholly-owned indirect subsidiary of BHE. BHE is a subsidiary of Berkshire Hathaway, Inc. ("Berkshire Hathaway"). BNSF is also a subsidiary of Berkshire Hathaway. Berkshire Hathaway's ownership interest in both PacifiCorp and BNSF may create an affiliated interest in some PacifiCorp jurisdictions.

PacifiCorp is installing a new customer service connection, which will require a license allowing a wireline crossing of BNSF railroad corridor and related power pole encroachment. BNSF uses standardized pricing for these types of licenses. PacifiCorp will pay \$3,500 for the railroad crossing license. A copy of the *License for Electric Supply Line Across or Along Railway Property, Tracking #15-53661* (the "Agreement") is included with this Notice as Attachment A. Additionally, PacifiCorp has paid or will pay \$5,960 in additional processing, engineering, insurance and expediting fees pursuant to, or in conjunction with, the Agreement.

Crossing the BNSF railroad property is necessary to provide services to the customer. As the owner of the underlying real estate, BNSF is the only entity that can provide the license to PacifiCorp. The transaction set forth in the Agreement is therefore in the public interest.
