From: Utah Division of Public Utilities  
Chris Parker, Director  
Artie Powell, Energy Section Manager

Date: December 30, 2015

Dear Chairman Ivory,

Attached is the progress report from the Division of Public Utilities regarding renewable energy targets for electrical utilities. This report is in response to Utah Code Ann. § 54-17-602 which specifies target amounts of renewable energy by 2025 for electrical utilities in Utah.

The Division acknowledges and appreciates the effort of Mr. Mike Peterson from the Utah Rural Electric Association as well as representatives from Rocky Mountain Power for their help and support in compiling this information. The primary contact at the Division of Public Utilities is
