**SECTION 63.71 APPLICATION OF MCI
COMMUNICATIONS SERVICES, INC. D/B/A
VERIZON BUSINESS SERVICES AND TTI NATIONAL INC.**

MCI Communications Services, Inc. d/b/a Verizon Business Services (“MCI”) and TTI National Inc. (“TTI”) submit this Application for authority under Section 214(a) of the Communications Act and Section 63.71 of the Commission’s rules to discontinue postpaid calling card service and personal 800 service. MCI and TTI provide postpaid calling card services under the brand name “MCI Calling Card” and “TTI National Calling Card.” MCI provides personal 800 service under the brand name “Personal 800.”

As Sections 63.71(a) and (b) of the Commission’s rules require, MCI and TTI provide the following information:

1. Name and Address of Carrier (47 C.F.R. §§ 63.71 (a)(1), (b)(2)):

MCI Communications Services, Inc.
One Verizon Way
Basking Ridge, NJ 07920

TTI National, Inc.
One Verizon Way
Basking Ridge, NJ 07920

2. Date of Planned Service Discontinuance (47 C.F.R. §§ 63.71(a)(2), (b)(2)):

Subject to the Commission's authorization, on or after January 16, 2016, MCI and TTI will discontinue postpaid calling card service and personal 800 service.

3. Points of Geographic Areas of Service Affected (47 C.F.R. §§ 63.71(a)(3), (b)(2)):

Subject to the Commission's authorization, MCI and TTI will discontinue postpaid calling card service and personal 800 service to customers wherever these cards or service are provided or can be used throughout the United States, including the District of Columbia, U.S. Territories (American Samoa, Guam, Puerto Rico, Northern Mariana Islands, and the U.S. Virgin Islands).

4. Brief Description of Type of Service Affected (47 C.F.R. §§ 63.71(a)(4), (b)(2)):

Standalone postpaid calling card service allows residential and small business customers to place long-distance and international calls by dialing a toll-free access code or number that MCI and TTI provide. Customers can use these cards from anywhere in the United States to place long-distance and international calls. Customers are billed on a monthly basis for calls made using the card. MCI and TTI's postpaid calling card services are available on a standalone basis or with lines presubscribed to MCI or TTI.

MCI's personal 800 service permits domestic calls to a customer's home telephone number that are billed to the MCI personal 800 customer rather than to the call originators.

The public convenience and necessity will not be impaired by the proposed service discontinuance because most consumers no longer use or need these services. Mobile phones have obviated the need for calling card and personal 800 services when traveling or away from home. In addition to mobile phones, there are other alternatives to these services in the marketplace including pre-paid calling cards and VoIP services that offer calling virtually anywhere. Moreover, MCI and TTI will continue to offer various domestic and international calling plans that will not be affected by this change. The availability of these alternatives ensure the public convenience and necessity are not impaired when MCI and TTI discontinue their postpaid calling card and personal 800 services.

5. Brief Description of the Dates and Methods of Notice to All Affected Customers (47 C.F.R. § 63.71(b)(3)):

MCI and TTI sent notices to affected Customers by U.S. Mail on or before November 16, 2015. Copies of the notices are attached as Exhibit A. There are approximately 5800 customers of these services nationwide.

MCI and TTI are sending copies of this Application by first class U.S. Mail to the governor and public utilities commission for each affected state, as well as to the Special Assistant for Telecommunications to the Secretary of Defense, as required by Section 63.71(a) of the Commission's rules. A copy of this Application is also being sent to the Chief of the Commission's International Bureau.

6. Regulatory Classification of Carrier (47 C.F.R. § 63.71(b)(4)):

MCI and TTI are considered non-dominant with respect to the services to be discontinued.

CONCLUSION

MCI and TTI respectfully request that the Commission approve this Application.

Respectfully submitted,

Kathleen M. Grillo

NOTICE OF PERSONAL 800 SERVICE DISCONTINUANCE

Dear

As a valued customer, we want to make you aware of an upcoming change in our services. From time to time we evaluate and update our product portfolio to serve our customers. Due to overall declines in Personal 800 usage, MCI Communications Services, Inc. d/b/a Verizon Business Services has made the difficult decision to discontinue this MCI service.

Como apreciado cliente nuestro, queremos informarle de un cambio que se producirá en nuestros servicios. En ocasiones evaluamos y actualizamos nuestra cartera de productos para servir a nuestros clientes. Debido al descenso en el uso de las tarjetas de llamadas post pago, MCI Communications Services, Inc. d/b/a Verizon Business Services ha tomado la difícil decisión de cancelar la tarjeta MCI Calling Card.

¿Qué significa esto para usted?

A partir del 16 de enero de 2016, sujeto a las aprobaciones regulatorias federales y estatales aplicables, la tarjeta de llamadas de MCI, que consiste en la opción de facturación post pago y los números gratuitos de acceso internacional, no podrá seguir utilizándose para llamar a o desde los Estados Unidos, los territorios de los Estados Unidos ni ningún otro país del mundo. Si usted utiliza el servicio, es importante que busque otro medio de llamar y pagar por las llamadas después de esa fecha. Las llamadas que se carguen a la tarjeta de llamadas de MCI antes de la fecha de suspensión se facturarán normalmente en la fecha del ciclo de facturación que corresponda.

¿Qué ocurre si usted tiene otros servicios de MCI?

Sus planes locales, de larga distancia e internacionales con MCI no se verán afectados por el cambio. Puede seguir haciendo llamadas nacionales e internacionales con estos planes de MCI.

Le valoramos como cliente y sentimos cualquier inconveniente que esto le pudiera causar. Los representantes de atención al cliente de MCI están a su disposición si tiene alguna pregunta o duda; puede llamar al 1-800-950-4652 o al número gratuito que aparece en su factura, o visitar nuestro sitio web en www.mci.com.

Gracias,

MCI Communications Services, Inc.
