RE: Frontier Communications 2013 Connect America Fund Phase I, Round 2 Incremental Funding Election

Dear Mr. Widerburg:

On May 22, 2013, the Federal Communications Commission (FCC) made a second round of Connect America Fund (CAF) Phase I incremental funding available to price cap carriers for broadband deployment.¹ Frontier Communications (Frontier), as an eligible price cap carrier, filed its notice of acceptance of such funding with the FCC on February 24, 2014.

On February 24, 2015, Frontier filed updated information with the FCC, pursuant to the September 25, 2014 Wireline Competition Bureau Public Notice setting the filing deadline for the filing of location information for the Connect America Fund Phase I, Round 2 funding².

Pursuant to FCC rule³, Frontier hereby provides the Public Service Commission of Utah a copy of that information.

If you have any questions, please contact Kirk Lee at 425-261-5855 or email kirk.lee@ftr.com.

Respectfully submitted,
