BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

IN THE MATTER OF 2018 USF CAF ICC) Docket No. 18-999-12

) ELECTRONIC FILING
) REQUIREMENT
)
)

The undersigned, Kira M. Slawson of Blackburn & Stoll, LC, on behalf of Central Utah Telephone, Inc. (“CUTI”), Bear Lake Communications, Inc. (“Bear Lake”), and Skyline Telecom (“Skyline”), hereby moves the Public Service Commission for permission to deviate from the electronic filing requirement set forth in Utah Admin. Code. R746-1-203 for the submission of the *Confidential* CAF ICC Data for CUTI, Bear Lake, and Skyline (the “Confidential CAF ICC Data”) in the above referenced docket. Kira M. Slawson attests that she previously had access to the SFTP server. However, Ms. Slawson’s firm recently switched Internet providers and has received new static IP addresses. As a result, Ms. Slawson has been required to apply for new access to the SFTP server and is unable to obtain

this access in time to file the Confidential CAF ICC Data via the SFTP server today. Pursuant to Utah Admin. Code R747-1-109(2), movant attest that under the circumstances, the electronic filing rule imposes a hardship that outweighs the benefit of the rule, and CUTI, Bear Lake, and Skyline should be permitted to file their Confidential CAF ICC Data by disc in deviation of R746-1-203. In anticipation of the Motion being granted, CUTI, Bear Lake, and Skyline have submitted a disc with the Confidential data to the Commission.

Respectfully submitted this 18th day of June, 2018.
