RE: *PacifiCorp*
Docket No. ER19-_____-000

Dear Secretary Bose:

Pursuant to Section 205 of the Federal Power Act, 16 U.S.C. § 824d (2012), Part 35 of the Federal Energy Regulatory Commission's ("Commission") regulations, 18 C.F.R. Part 35 (2018), and Order No. 714¹ regarding electronic filing of tariff submittals, PacifiCorp hereby tenders for filing the following jurisdictional agreement:

Transmission Interconnection Agreement, among Dixie Power, Deseret Power, and PacifiCorp, to be designated as PacifiCorp Rate Schedule No. 743 ("Interconnection Agreement").

As discussed further below, PacifiCorp respectfully requests waiver of the Commission's 60-day prior notice requirements² to permit an effective date of June 12, 2019 for the Interconnection Agreement. Consistent with Commission precedent, the Parties have agreed to this effective date, and the Interconnection Agreement will not impact rates.³

³ *Midcontinent Independent Transmission System Operator, Inc.*, 131 FERC ¶ 61,199 at P 3 (2010) (citing *Central Hudson Gas & Elec. 1. Background and Reason for Filing

PacifiCorp is a transmission provider which owns and operates certain facilities for the transmission of electric power and energy located in Utah. Dixie is an electric cooperative and a member of Deseret Power. Deseret Power is a regional generation and transmission cooperative serving load in Utah.

PacifiCorp has constructed a new substation (“Purgatory Flat Substation”) located in Washington County, Utah. Deseret Power has requested to interconnect two Dixie Power-owned transmission lines at the Purgatory Flat Substation. On June 10, 2019, Deseret Power, Dixie Power and PacifiCorp entered into the Interconnection Agreement to govern the terms and conditions of the new wires-to-wires interconnections. Accordingly, PacifiCorp respectfully requests that the Commission accept the Interconnection Agreement, attached hereto, for filing.

2. Effective Date and Request for Waiver

PacifiCorp requests as effective date of June 12, 2019 for the Interconnection Agreement. PacifiCorp respectfully requests that the Commission waive its 60-day notice requirement and accept the Interconnection Agreement with an effective date of June 12, 2019.⁴ Consistent with Commission precedent, good cause exists to grant such waiver where, as here, the parties agree to the terms of the Interconnection Agreement, and the agreement does not impact rates.⁵

To the extent that any filing requirement in Part 35 of the Commission’s regulations is not satisfied by this filing and the materials enclosed herewith, PacifiCorp respectfully requests waiver of such requirements.

3. Designation

PacifiCorp respectfully requests that the Transmission Interconnection Agreement be designated as PacifiCorp Rate Schedule No. 743.

⁴ 18 C.F.R. § 35.3(a).

⁵ See *supra* n.3.

4. Enclosure

The following enclosure is attached hereto:
