DOCKET NO. 00-999-05  
SECOND AMENDED  
SCHEDULING ORDER

ISSUED: May 2, 2001

By The Commission:

On November 27, 2000, the Commission issued a Scheduling Order in this docket, establishing dates for a technical conference, filing of testimony, a hearing, and procedures for discovery and service of documents. On April 4, 2001, the Commission issued an amended scheduling order changing the dates for filing surrebuttal testimony and the hearing. The parties have now advised the Commission that the Federal Communications Commission has announced a decision on reciprocal compensation for Internet traffic that may have a material impact on this case. Therefore, the parties have requested that the dates for filing surrebuttal testimony and hearing be continued without date and that a conference be scheduled in the case for May 10, 2001, for the purpose of discussing the impact of the FCC decision on this case and for establishing a schedule for further proceedings.

The Commission finds and concludes that the proposal of the parties is reasonable under the circumstances and adopts the same.
