**STIPULATED MOTION FOR  
EXTENSION OF TIME FOR LOGAN  
CITY TO FILE DIRECT TESTIMONY**

Docket No. 21-888-01

---

Pursuant to Utah Admin Code R746-1, Petitioner Logan City files this stipulated motion for extension of time to file its direct testimony. Logan City respectfully requests an extension of the filing deadline for its direct testimony from January 20 to January 31, 2022.

Under the scheduling order entered on November 22, 2021, the deadline for Logan City to file its direct testimony is January 20, 2021. Counsel for Logan City has experienced health issues that led to a request to Union Pacific Railroad Co. for a short extension of that deadline. Union Pacific, through counsel, has graciously agreed to an extension of the deadline to January 31, 2022. The requested extension will not affect any other pending deadlines in this matter.

Due to the approaching filing deadline, Logan City respectfully requests the Commission expedite its consideration of this motion.

A proposed order granting the requested extension that has been approved by Union Pacific is attached and will be submitted in word format for the Commission's convenience.

DATED this 19th day of January, 2022.
