BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In Regard to the Request of ALL WEST COMMUNICATIONS, INC. for Revision to Exchange Boundaries	DOCKET NO. 02-2270-01 <b>Petition for Scheduling Conference</b>
---	--

All West Communications, Inc. hereby petitions the Commission to set a scheduling conference in this matter to establish a procedural schedule. All West Communications, Inc. (“All West”) petitioned the Commission in February 2002 to revise existing service territory boundaries between All West and Qwest Communications, Inc. (“Qwest”) to permit All West to serve the Promontory Development (“Promontory”) as the incumbent local exchange carrier. Promontory straddles the service territories of All West and Qwest.

The parties have met together several times and exchanged information in an attempt to settle the issues in this docket but have been able to reach agreement or make accommodation that is mutually acceptable. No procedural schedule currently exists to resolve this case. All West, therefore, requests that the Commission set a scheduling conference on Thursday, April 27, 2006 at 9:30 a.m. to establish a procedural schedule.

Respectfully submitted this 18<sup>th</sup> day of April, 2006.
