Rebuttal testimony will be filed January 21, 2005.

Surrebuttal testimony will be filed February 28, 2005.

Pre-hearing briefs will be filed March 14, 2005.

Hearings will be held March 17 and 18, 2005, beginning 9:00 a.m., in Room 451, Small Hearing Room, 4th Floor, Heber M. Wells Building, 130 East 300 South, Salt Lake City, Utah. .

In compliance with the Americans with Disabilities Act, individuals needing special accommodations (including auxiliary communicative aids and services) during this hearing should notify the Commission, at 160 East 300 South, Salt Lake City, Utah, 84111, (801) 530-6716, at least three working days prior to the Scheduling Conference.

2. To the extent that parties with similar or the same positions and arguments can coordinate among themselves the preparation and presentation of their evidence, it is highly encouraged by the Commission. Parties desiring to present information for the Commission's consideration should do so through the submission of pre-filed written

testimony, rather than planning to rely upon the presentation of orally presented information or cross-examination, due to hearsay and procedural limitations that may be applied to such material and conduct. See, e.g., Utah Administrative Rule 746-100-10.

3. Discovery will continue under the following terms: Responses will be provided within 21 days during December 6 through 31, 2004; within 14 days during January 1 through February 27, 2005; and within 7 days during February 28 through March 6, 2005 (and discovery during this latter period will be limited to new issues raised in the February 28, 2005, surrebuttal testimony). Parties are encouraged to resolve discovery disputes informally. At their election, parties may submit unresolved discovery disputes to the hearing officer through email and telephone conference call, rather than formal written motions and memoranda. Scheduling of such matters may be made by contacting the Commission at (801) 530-6716.

DATED at Salt Lake City, Utah, this 14th day of December, 2004.
