Mr. Asay,

Thanks for the information. Regarding any potential schedule, I'll be happy to work with whatever works for the parties to bring this matter to a reasonable close in as short a time as possible. I'll look forward to hearing from everyone on the 24th.

Thank you Judge Goodwill;

I am fairly sure that all counsel have the 24th/25th open. Nevertheless, I am going to suggest by this message that counsel review their schedules and that of their clients to propose possible dates for the completion of this docket. As a point of beginning, would 6-8 weeks out be appropriate?

Mr. Monson,

We'll go ahead and issue an amended notice setting the scheduling conference for 9:30 a.m. on 24 Apr. If that date doesn't work for Mr. Asay, he can let us know and we'll reschedule accordingly.

Trixie,

Please prepare and issue the notice as indicated above. Thanks.

Dear Judge Goodwill,

I need to request a change in the scheduling conference noticed for Thursday, April 19, 2007, at 9:30 a.m. for two reasons. First, I have a

conflict with a technical conference that was previously scheduled in another matter before the Commission at the same time. Second, my witnesses and co-counsel have been unavailable to determine how much time will be needed to respond to the Testimony of Henry D. Jacobsen which your recent order allowed to be filed. We have now been able to schedule a meeting for later this week to review the issue, but it is unlikely we will have a plan in time for a Thursday morning scheduling conference.

I have conferred with other counsel and suggested that the scheduling conference might be rescheduled for April 24 or 25, days previously scheduled for the hearing in this matter. Counsel for the Division has no objection to that proposal. Counsel for Union has not gotten back to me yet on the proposal.

Please let me know if you have any questions regarding this request.

Sincerely,

Greg Monson
