Judge Goodwill,

Thank you for your prompt attention to Qwest's Motion and this docket generally. Qwest and Union are conferring with each other. We plan to contact you and submit new proposed hearing dates as soon as counsel and the parties can coordinate their calendars.

Thanks for the info and your informal resolution of this matter. Based on the parties' agreement, an order denying Qwest's motion without prejudice should issue shortly.

Have the parties conferred regarding a proposed re-scheduled hearing date? As I indicated last week, I'll be happy to issue a revised schedule in accordance with the parties request submitted in June, but the proposed 19-21 September hearing dates are not available on my calendar. Let me know if we need to get together by phone or otherwise to come up with a suitable schedule, or simply propose some agreed hearing dates. Thanks.
