**RE:** In the Matter of the Application For Increase of Rates and Charges and Increase in USF Eligibility for Manti Telephone Company Docket No. 08-046-01

**RECOMMENDATION:**

The Division recommends that the Commission schedule a Scheduling Conference to establish timeframes for all parties with this Docket.

**ISSUES:**

The Division proposes that the Commission schedule a Conference as soon as possible so that all the interested parties can develop a schedule that can be followed in this process. The Division believes having a proposed schedule in place will help to streamline the discovery process and enable this Docket to proceed in a tidy fashion.
