*Re: In the Matter of the Increase of Rates and Charges and Increase in USF  
Eligibility for Manti Telephone Company.  
Docket No. 08-046-01*

Dear Ms. Orchard:

Please find enclosed a **Revised Redacted Settlement Stipulation and Establishment of Balancing Account** in the above referenced docket. This Revised Redacted Stipulation is being filed with the Commission to address the Commission's concern that the USF requested amount was treated as confidential in the original Redacted Settlement Stipulation filed with the Commission on January 25, 2011. It was not the parties' intention to depart from past Commission practice, so the USF requested amount is not redacted (there was no reference to revenue requirement in the Stipulation).

Additionally, the parties are filing an original and 5 sealed copies of the **Revised Confidential Version of the Settlement Stipulation and Establishment of Balancing Account** (the "Settlement Stipulation"). The Settlement Stipulation was revised in 2 ways: 1) Confidential Attachment 4 which was inadvertently left off the original filing is attached to this revised version; and 2) Confidential Attachment 5 was added to address the Commission's question regarding imputation of rate increase. Confidential Attachment 5 explains how the numbers in the stipulation were derived.

If you have any questions concerning the above, please feel free to contact counsel for the Division of Public Utilities, or counsel for Manti Telephone Company.

Sincerely,

Patricia Schmid  
Attorney for Division of Public Utilities
