Re: Agreement filing in the Matter of the Interconnection Agreement between Qwest Corporation and Pac-West Telecomm, Inc. per Docket No. 08-049-24

RECOMMENDATION: acknowledge receipt

ISSUES:

On May 20, 2008, Qwest Corporation ("Qwest") filed the Interconnection Agreement per the above-referenced docket in accordance with § 54-8b-2.2(1)(d) of the *Utah Code*. This Agreement had been fully executed through voluntary negotiations on May 15, 2008 with Pac-West Telecomm, Inc. Pac-West Telecomm's Certificate of Public Convenience and Necessity was approved by the Commission on May 8, 2000 in Docket No. 99-2305-01.

The Division has reviewed the above-mentioned Agreement between Qwest and Pac-West and sees no reason to reject it. Specifically, the Division believes that the Agreement was negotiated in good faith and without unfair discrimination. Both parties also recognize that, to the extent that the existing rules are changed, vacated, dismissed, stayed or modified, this Agreement and all contracts adopting all or part of this Agreement will be amended to reflect such modification or change of the existing rules. Therefore, the Division recommends that the Commission acknowledge the receipt of this Interconnection Agreement.
