**Re: Application of TeleQuality Communications, Inc. For a Certificate of Public Convenience and Necessity to Provide Resold and Facilities-based Intrastate Interexchange and Non-switched Local Exchange Telecommunications Services Within the State of Utah
Docket No. 08-2500-01**

Dear Ms. Orchard:

Per my conversations with Mr. Casey Coleman of the Commission's staff, I am writing to amend Section II. 4.b. of the above-referenced Application, to state that Applicant will provide service throughout the Qwest exchange areas in the State of Utah. I am enclosing the original and seven (7) copies of a replacement page 4 of the Application to reflect this correction.

Please acknowledge receipt of this filing by date-stamping the extra copy marked stamp and return and returning it in the self addressed, stamped envelope that is provided for this purpose. Please call me if you should have any questions. Thank you for your assistance.

Very truly yours,

Davis Wright Tremaine LLP

/s/

James M. Smith

Enclosures

cc: Mr. Casey Coleman

4. ***Services to be Offered.***

a. ***Classes of Customers.*** Applicant's initial marketing efforts will be to provide services to both business and residential customers.

b. ***Location of Service.*** Applicant will provide service throughout the Qwest exchange areas in the State of Utah, and may seek to purchase terminating access from RLECs in their service territories pursuant to their tariffs.

c. ***Types of Services to be Offered.*** Applicant will provide resold and facilities-based intrastate interexchange and non-switched local exchange telecommunications services in the State of Utah. Applicant's proposed services include private line data and Internet access services.

5. ***Access to Standard Services.*** Applicant will provide data telecommunications services only. Therefore, Applicant will not provide access to ordinary intraLATA and interLATA message toll calling, operator services, directory assistance, directory listings, and emergency services such as 911 and E911 either through its own operations or by purchasing those services from third parties.

6. ***Implementation Schedule Pursuant to 47 U.S.C. § 252(c)(3).*** Applicant intends to begin marketing its services to business and residential customers as soon as the Commission issues a CPCN and Applicant signs any necessary interconnection agreements.

7. ***Professional Experience and Education of Managerial Personnel.*** Applicant has the managerial and technical qualifications to provide intrastate telecommunications services in Utah. Applicant's management team has considerable experience in network operations, financial analysis/accounting, marketing, sales, customer service, training, regulatory, and other relevant areas. Attached to this Application, as **Exhibit B**, is a description of the telecommunications experience
