Throughout Beehive's Utah certificated area.

RATES:

Where drop & telephone is installed (or re-installed) less than one-quarter mile from existing service lines.

RESIDENCE	\$57.50
BUSINESS	\$60.00

Where telephone must be re-installed on premises that already has a drop from service lines (wiring to network interface device (NID)) (T)

RESIDENCE & BUSINESS	\$30.00
----------------------	---------

Connection to a telephone already in place (turn on at Central office). (T)

RESIDENCE & BUSINESS	\$15.00
----------------------	---------

Note: One of the above 3 options must always apply to any new service. Additive options are as follows:

Inspection per customer provided and installed telephone.

\$10.00

Extension wiring for each telephone or jack outlet other than the main station as supplied by Beehive.

\$10.00

CONSTRUCTION CHARGES:

Where construction is required to extend lines more than one-quarter mile from existing lines, the charge for service as a onetime construction charge per quarter mile shall be:

\$150.00

At the option of Beehive, construction or installation charges may be pro-rated over a period up to 60 months with payments to be not less than \$5 per month. If service is discontinued prior to final payment, the entire balance shall be due and payable.

Groups of customers may share line mileage construction costs to be pro-rated or equalized at a ratio to be determined by Beehive.

Where unusual conditions allow, at Beehive's option, associated mileage charges may be reduced or waived.
