Compliance Filing Docket No. 08-051-01

SCHEDULE NO. 5- TOLL STATION SERVICE (T)

1. Toll Station service, where offered, will carry the same monthly service charge as telephones for various classes of service, business and residential.
2. Installation charges will be the same as those for regular exchange service for the class of phone provided.
3. Toll Station lines will be offered on a limited basis where deemed appropriate by Beehive to provide service to various locations within territory certificated to be served by Beehive.
4. Where Beehive deems appropriate, Toll Station rates may be configured for remote location telephone service which are in fact connected to exchanges where direct local services may, or may not be, provided. The basis for such determination shall be major community of interest or temporary connections to the Beehive lines in one area pending completion of exchange facilities in another and shall not be considered to be a commitment for continued EAS if so provided on a temporary basis to enable service to a given area faster than otherwise might be possible.
5. Current Toll Station is provided to the Dangling Rope Marina, on Lake Powell in Kane County, coordinates being V8309, H6759.
