RE: In the Matter of the Increase In USF Eligibility For Carbon/Emery Telcom, Inc.
Docket No. 09-2302-01

DATE: October 12, 2009

RECOMMENDATION: Calendar a scheduling conference.

The Division recommends the Commission schedule a conference with all parties to outline the calendar of due dates for this docket.

ISSUES:

On September 22, 2009, Carbon/Emery Telcom, Inc. filed an application with the Commission asking for an increase in state USF eligibility. The completion requirement of two hundred and forty (240) days will end May 20, 2010. The Division has sent a data request to Carbon/Emery for additional information to begin the analysis process and to determine if increased state USF is warranted. At this time, the Division recommends scheduling a conference that will establish a timeline with dates that can be followed by all parties in this Docket.
