**Subject:** 09-2419-01 Direct Communications

Judge Arredondo

The hearing in this Docket is currently scheduled for tomorrow. Both Direct and the DPU request that it be changed to the afternoon of April 22. We are working on a stipulation but need more time to finalize it. If there is no stipulation we will advise you as soon as that is known. The office is also ok with the hearing on the 22nd. Thanks.

Michael Ginsberg
